

HEART CENTERED TOUCH WEEKEND WORKSHOP

“ Building Greater Intimacy & Expression”

at Easton Mountain Retreat Center

June 11-13, 2010

This FIRST weekend residential Heart Centered Touch workshop takes place at the wonderful gay Retreat Center-- Easton Mountain.

The intention of this retreat is to build even stronger connections to your inner erotic life and to create a more powerful bridge to others with touch.

-Friday night: opening circle, intention-setting, partnered touch exercises, Intro to Taoist exercise.

-Saturday: massage sessions, tantra & breathwork instruction and an evening celebration.

-Sunday: more massage sessions & skills practice, goal-setting & closing.

Available: outdoor walks, hot tub, sauna & pool; contemplative time, good food & community.

Call me or e-mail me for more information
